- **Off Season Action Item:** Talked about Future All Star teams for the league. We need to explore options on how we could pull teams together, having 12/14 players per team. AYSC is pulling by age group
- Coaches Appreciation Event went great. Good participation, but there were several people who RSVP'd that did not come. Great prizes for raffle, good food selection. Next time have microphone
- We had a call and talked about having Bear River join. We still need to discuss in the future, Febs meeting. Discussion was that LOP fields have too many painted lines and may cause confusion
